This request must be signed in compliance with 37 CFR 1.33(b) and submitted with the application **upon filing**.

Applicant may rescind this nonpublication request at any time. If applicant rescinds a request that an application not be published under 35 U.S.C. 122(b), the application will be scheduled for publication at eighteen months from the earliest claimed filing date for which a benefit is claimed.

If applicant subsequently files an application directed to the invention disclosed in the attached application in another country, or under a multilateral international agreement, that requires publication of applications eighteen months after filing, the applicant **must** notify the United States Patent and Trademark Office of such filing within forty-five (45) days after the date of the filing of such foreign or international application. Failure to do so will result in abandonment of this application (35 U.S.C. 122(b)(2)(B)(iii)).

## Certificate of Mailing under 37 CFR 1.8

If this submission fails to arrive to you before the 12 months expire from the filing date of the provisional application which benefits are claimed in the accompanying non-provisional application, then it is due to the interruptions in the mail delivery to your 20231 zip code that you have informed of, because normally an air-mail letter like this sent from Finland has taken two or three days to arrive to Washington D.C. Since it is question of exceptional and prominent interruptions in the mail delivery I ask that you would accept the date on the mail stamp of the envelope of this letter as the reception date of this application.

I hereby certify that this correspondence is being deposited with the Finland's postal service ("Suomen Posti Oy") with sufficient postage as first class mail in an envelope addressed to:

#### Assistant Commissioner for Patents Washington, D.C. 20231 U.S.A.

Refer the mail stamp on the envelope for verification of mailing date. Note the European date format on the envelope (dd/mm).
